## It Provides:

State senators will continue to be elected at large, as are United States senators.

No county will have a smaller representation than it now has.

Every 1,500 votes, cast for the candidates for governor, shall be entitled to one representative in the lower house of the state legislature.

Boards of supervisors, six months before each election, shall district each county according to the vote.

Gerrymandering is prohibited by specific provision in the amendment.

Growing counties will be enabled to secure adequate and fair representation in the state legislature.

## GOVERNOR HUNT TO "MY DEAR MIKE"

Here is the now famous letter which Governor Geo. W. P. Hunt wrote to Mike Sullivan, of Butte, Montana, an I. W. W., in which the chief executive said he was "all het up." Hunt admitted on the witness stand under oath in the Breen libel case that he wrote it.

### Executive Office

State House  
Phoenix, Arizona

GEO. W. P. HUNT  
GOVERNOR  
LOUIS W. LOWENTHAL  
SECRETARY

August 16, 1918.

### MY DEAR MIKE:

I was very glad to get your letter of August 3rd, and sorry that you cannot return to Arizona this fall and plan to take part in the campaign. It is going to be very warm here in that particular and yesterday Mr. W. A. Moer withdrew from the gubernatorial race leaving Fred Colter, Sidney Osborn, Fred Sutter and Lamar Cobb. Of course, living in Bisbee and being deported from that camp, you can realize how you would feel with Sutter, the abject tool of the corporations and who, I understand, took part in the deportations, in the Governor's chair. He now has the nerve and audacity to come forward and ask the suffrage of the people of Arizona. EVERY TIME I THINK OF IT I GET ALL "HET UP" and then I think that MR. OSBORN IS NOT MUCH BETTER, because a short time ago, when I was in California, my chauffeur was driving him around, and he remarked to another man who was in the car that MOONEY OUGHT TO HANG, and he also does not believe in experimenting; IN FACT I THINK THAT HE IS JUST AS SUBSERVIENT A TOOL AS SUTTER AND I BELIEVE THE MAN WHO REALLY REPRESENTS PROGRESSIVE DEMOCRACY IS FRED COLTER.

You know conditions here in Arizona as well as the rest of us. The corporations have the help of the subsidized press, the reptile press as it is now being called, and they are doing all they can to help seat their tools in office.

I am very glad that the old lady from Ireland is coming here and I hope I shall have the pleasure of hearing her and if I have an opportunity to meet her shall recall the incident when I saw her in Bisbee.

With assurances of my friendship I am,

Very sincerely yours,

GEO. W. P. HUNT,  
Governor of Arizona.
